Subject: Work furlough Stats

The following are monthly population averages for Work Furlough from 2002 thru 2005. The 2005 average is only through November of this year:

2002: 141.4

2003: 152

2004: 152.1

2005: 146.2

I hope this is helpful. Any questions, feel free to contact me at 619-574-5602 or by e-mail.

Bill Andrews
